The training of bridal art creation was attended by Dharma Wanita Kapanewon Pengasih-Wates with the aim of 1) providing useful skills in between free time, 2) providing business opportunities as an additional income for the family.

This activity was carried out during the pandemic using lecture, demonstration and practice methods containing creative materials to decorate delivery boxes, the art of folding gifts, decorating gifts by giving accessories so that they look attractive. The material is given offline/face-to-face. And as a closing activity, an evaluation of the activities was carried out on the participants in the form of a questionnaire.

The results of this community service activity are expected to carry out the Bridal Delivery Art Creation training without any obstacles. Participants are enthusiastic about participating in the training diligently to acquire skills to the maximum. Participants gain high self-confidence so that they are able to open family business opportunities, thereby increasing family income. The training activities were carried out in Wates with face-to-face meetings inviting Dharma Wanita Kapanewon Pengasih through the PLKB Kapanewon Pengasih coordinator. The response from the training participants related to the training material was 87.15%, and the implementation of the activities was said to be quite successful with a score of 87.81%.
