

Scientific Article Writing Training for M.Ts Teachers MGMP Indonesian DIY Ministry of Religion Regional Office

by Hartono, Suroso, Prihadi, Teguh Setiawan, Anis Mashlihatin

ABSTRACT

There are two objectives for Lecturers in Off-Campus Activities, namely (1) to increase knowledge about the ins and outs of writing scientific articles, especially journal articles for M.Ts teachers. MGMP Indonesian Regional Office of the Ministry of Religion DIY; (2) improving the ability and skills to write scientific articles, especially journal articles among M.Ts teachers. MGMP Indonesian Regional Office of the Ministry of Religion DIY.

The most suitable form of activity to achieve this goal is "Scientific Article Writing Training for M.Ts Teachers. MGMP Indonesian Language Office of the DIY Ministry of Religion. Training activities are carried out systematically, from theoretical to practical activities, namely by using lecture, question and answer, practice and brainstorming methods. The training participants were M.Ts teachers. MGMP Indonesian Language Regional Office of the Ministry of Religion of DIY, representatives from five districts/cities in DIY.

The activity entitled Lecturers with Off-Campus Activities will be held from Thursday 27 July 2023 to 31 August 2023 offline and online. There were thirty-one participants who could actively take part in the activity from start to finish, out of thirty-two registered teachers. One person was absent because he had other duties from the madrasah. Participants receive theoretical and practical material related to writing scientific articles up to sending them to scientific journals for publication. From the implementation of these training activities, it can be concluded that the majority were able to understand and increase their skills in writing journal articles.

Kata Kunci: *training, writing scientific articles, MGMP Indonesian M.Ts.*
