

INCREASING OF TEACHERS' CAR COMPETENCY OF SMPN 2 MOYUDAN SLEMAN, YOGYAKARTA

by Dr. Drs. Dwiyanto Djoko Pranowo, M.Pd., et.al.

ABSTRACT

Most of the teachers of SMP Negeri 2 Moyudan Sleman has never held a classroom action research (CAR) to increase the learning process. For this reason, the lecturer of French Language Education carry out community service activities (PPM) in the school, as part of efforts to motivate and improve the quality of SMP Negeri 2 Moyudan teachers in the field of classroom action research.

PPM activities carried out during three days in the form of training and workshop CAR proposal. The activities were done by Dr. Djoko Dwiyanto Pranowo, M.Pd., Dr. Roswita Lumban Tobing, Hum., and Drs. Rohali, M. Hum. Target activities are all teachers of SMP 2 Moyudan, Sleman, Yogyakarta. Number of participants was 33 people. The material presented was the basic concept and design of action research proposal. The final result is a CAR proposal arranged by group of study areas.
