

# LIBRARY MANAGEMENT TRAINING IN SMK Gedangsari GUNUNGKIDUL

by Lantip DIAT Prasodjo; Udik Budi Wibowo

## ABSTRACT

This activity aims to provide training about Library Management School in Gedangsari SMK Gunung Kidul Regency. This event was held at SMK N 1 Gedangsari which is one vocational school located in the district of Gunung Kidul. In principle, not achieving good library management due to the lack of sufficient funds to complete the facilities and teachers' lack of knowledge about the management of a good library. The most important factor is the lack of information and motivation to manage a good library in accordance with government standards. PPM activities include seminars and training to improve the management of the library has been progressing well. The number of participants are all teachers of SMK N 1 Gedangsari totaling 55 people. They are enthusiastic in participating in this activity be seen from the participation of teachers in upholding the charge sheet exposure and best practices
