## **ABSTRACT**

With the implementation of teacher certification, teachers are required not only to have teaching qualifications but also to have the ability to write scientific articles (journals). The objectives of this activity are: (1) to improve the ability to write scientific articles (journals) for elementary school teachers in Depok District, Sleman Regency and (2) to increase the motivation of elementary school teachers in Depok District, Sleman Regency in terms of writing scientific articles (journals). The target audience for this activity are elementary school teachers in Depok District, Sleman Regency, consisting of teachers from SDN Nogopuro, SDN CT 6, SDN Ambarukmo, SDN Nolobangsan. The total number of participants was 19 teachers. The Scientific Writing Training in Journal Form for elementary school teachers in Depok District, Sleman Regency, which will take place from 12 to 21 October 2021, uses lectures, dialogues, and the practice of making journal articles. This training is carried out offline and online.
