

PARTNER COOPERATION COOPERATION WITH KKG OR MGMP BANTUL REGENCY

by Ali Satia Graha, Bambang Priyonoadi, Sb. Pranatahadi

ABSTRACT

Implementation of PPM under the title Massage Training with KKG or MGMP Kabupaten aims to improve the knowledge and skills of Penjasorkes teachers in the case of massage injuries. It is expected that the Penjasorkes teacher can perform a wounded massage if there are students who have been injured and injured while attending the lesson, so that rapid recovery will not only get worse. The training is held in Hall of Bantul Hall on Friday, Saturday and Sunday on 25, 26 and 27 October 2013 with teachers in Bantul District. Implementation followed by 48 participants. Training materials are anatomical and physiological practices, tootics and top-motion massage practices that include wrist injury, elbow injury, and and shoulder injuries. In addition, the theory and practice of wounds to massage the movement under the ankle, knee and pelvis. Of the 48 participants there are participants who have not lost in doing massage. Participants were given training certificates for injured massages, not certificates for lack of precaution to obtain certificates.
