ABSTRACT

CAPACITY INCREASING OF VILLAGE'S STAF
IN MANAGING VILLAGE BUDGET

By
Utami Dewi, F. Winarni and Pandhu Yuanjaya

To support the effective implementation of Government Regulation No. 60 of 2014 on Village Fund from the State Budget, required continuous dissemination and capacity strengthening village officials so that potential violations or problems relating to the governance of the village can be avoided. During this socialization UU Village more given to the village head and not to the entire village officials let alone the public. In fact, that the implementation of village law is working well, then all components of society must understand and understand the purpose of the Village Law PPM activity is to determine the understanding of the community and village PP No 60 of 2014 and increase the understanding and capacity of government officials and the public Timbulharjo village to Regulation No. 60 of 2014.

The target audience in community service activities are the whole apparatus Timbulharjo Rural District of Sewon Bantul, BPD, and youth some 37 people. Methods used in PPM PPM includes Pre test understanding of village officials and the public about the Government Regulation No. 60 of 2014 on Village Fund; Socialization of BUMDes; Focus Group Discussion through brainstorming Sumberagung village officials and village communities in governance, problems and obstacles they may face in the implementation of the Law villages and find alternative solutions to solve these problems; Post test to determine the target audience understanding of the Regulation No. 60 of 2014 and assisting in the development of the Village Enterprises (BUMDes) in the village of Timbulharjo.

Overall activity PPM can run smoothly and received a positive response from the participants. Although the ultimate goal to improve the capacity of village officials in the implementation of Government Regulation No. 60 of 2014 concerning the management of village fund in the village Timbulharjo cannot be measured on the activities of PPM, but most do not aim to increase knowledge about the management of the Village Fund and provided supplies practical skills for government officials Village Timbulharjo District of Sewon, Bantul in preparing village development plan can be achieved.
