ABSTRACT

Abstract

Management of Organizational Management and Activities at Karangtaruna. Kaligawe Village, Kec. Pedan, Kab. Klaten
Program Pengabdian Masyarakat (PPM) is intended to provide an understanding of the target audience regarding organizational management and activities at the Kaligawe Village youth organization (Karang Teruna.. This program was carried out on September 21, 2020 after previously going through a discussion and survey process. This activity is expected to provide solutions to the problems of the target audience. The method of implementing this service activity is in the form of workshops on material about organization and discussions or sharing sessions with all participants. The workshops have been tailored to the interests, implementation of activities and plans that have been prepared previously. Sharing sessions were attended with questions and answers and best practice implementation of activities. The activity took place smoothly and was attended by 12 participants.
