ABSTRACT

The purpose of this community service is to increase "Teacher Capacity Through Traditional Sports Festivals for Indonesian Schools in Kuala Lumpur and the Guidance Center of the Indonesian Embassy in Kuala Lumpur Malaysia". The community service team provides training for teachers and organizes a traditional games festival for Indonesian children living in Kuala Lumpur, Malaysia. The target audience is 37 SIKL teachers, 65 managers of learning studios and 243 participating students at the Indonesian School of Kuala Lumpur and the Guidance Center of the Indonesian Embassy in Kuala Lumpur Malaysia. The success of the activity was marked by: (1) Training on Strengthening the Character of Nationalism through Indonesian Traditional Games attended by SIKL teachers, Study Center Managers and SIKL students and the Indonesian Embassy's Guidance Studio; (2) students enthusiastically participated in the festival as many as 243 participants; and (3) students have increased from not knowing to being able to implement traditional Indonesian games.
