

Management capacity development of the multiple literacy education programs to manager of the TBM Teras Baca Guyub Rukun, Sedayu, Bantul

by Entoh Tohani, Iis Prasetyo, RB. Suharta

ABSTRACT

Management capacity development of multiple literacy education program to manager of the TBM Teras Baca Guyub Rukun, Sedayu which has been carried out aims to provide an understanding on TBM managers regarding the management of multiple literacy education programs and their implementation in the management of TBM to empower the community. This training was conducted on the managers of the TBM as partner by using an adult learning approach and based on experience. The learning process used lecture, discussion, and game methods facilitated by the dedication team. It can run as expected and can provide positive learning outcomes for the learning community. Therefore, relevant training needs to be carried out again in the future with the availability of adequate facilities.
