ABSTRACT

Campus Tour Activities aims to disseminate FBS Educational Program FBS UNY on students of SMAN 1 Jetis Bantul through appreciation activities and art works in campus. The method applied in this activity is by directly involving students to approach, observe and feel the atmosphere of the campus. The appreciation activities of art works are done by visiting the exhibition of artwork in Prodi Pendidikan Seni rupa. From the results, it can be seen that the students' knowledge about various kinds of visual arts, media and art-making techniques, various visual arts fields are taught in Prodi Pendidikan Seni Rupa, and students can be more familiar with the campus of the Department of Fine Arts Education closer and better. At the end of the activity the Team captured the program's meaningful data to the participants. It is expected that this program can continue to be held in a sustainable way because it is very beneficial to improve students' insight about art.
