COMPARATIVE STUDY OF CHARACTER EDUCATION MODEL IN UNY INDONESIA AND PUNJABI UNIVERSITY INDIA

by Dr. Aman, M.Pd.

ABSTRACT

The main problem in the character education program in schools is whether character education is made a separate or integrated in the course. Then, it is applied that character education is integrated with the course. This means that every subject is required to include the content of characters through learning design, learning implementation, and learning evaluation. This study emphasizes that after implementing integrated character education, it is necessary to evaluate whether the program is good or not. The purpose of this research is to find out: 1) comparison of character education model in Yogyakarta State University Indonesia and Punjabi University Patiala India, 2) effectiveness of character education model at Yogyakarta State University Indonesia and Punjabi University Patiala India. The method of this research was qualitative research and used comparative study design approach. The most appropriate strategy of this research was embedded research (study research) because the research has been planned in detail in the proposal before the researchers plunged into the field. The steps used were: 1) collecting source through multi-technique2) 2) reducing data in order to simplify and categorizing data, 3) presenting data in the form of qualitative description, 4) drawing conclusions and 5) preparing research reports, and formulating recommendations comprisen research results. The aims of this research are: piloting the comparison of character education model in Yogyakarta State University Indonesia and Punjabi University Patiala India, as well as obtaining information about effectiveness model of character education at Yogyakarta State University and Punjabi University Patiala, Kota Having comparable Character education model in Yogyakarta State University Indonesia with Punjabi University India, then further prepared a good recommendation for Yogyakarta State University and Punjabi University Patiala India about the effective model of character education in college

Kata Kunci: *compatability, model,* and character education
