The Community Service Activity (PPM) in 2021, entitled "Training for Development of Interactive Multimedia with MS Power Point Applications at the Sleman Regency Middle School Cultural Arts MGMP" aims to improve the ability of Cultural Arts teachers who are members of the Sleman Regency Middle School Cultural Arts MGMP in developing materials digital-based teaching/learning media for both offline and online-based learning. With this PPM activity, it is hoped that teachers will be able to produce teaching materials/learning media products in the form of interactive multimedia.

The methods used in this PPM are media development tutorials, media product development assistance, guided independent work, and product presentations and evaluations.

The results of the PPM implementation show that the PPM Team provides tutorials and mentoring on the first day with materials for Presentation Media Design Principles, followed by Multi Media Creative Design with MS Power Point Applications, the second day with Exam Development materials with MS Power Point Applications and Video Development Slide with MS Power Point Application. On the third day the workshop participants independently made media, and on the fourth day the participants made a media presentation that had been made
