## **ABSTRACT**

The purpose of this PPM activity is to provide knowledge and abilities to PJOK teachers at the KKG Elementary School in Turi District to develop online learning methods during the COVID-19 Pandemic.

The target audience of this PPM activity are all PJOK teachers at SD KKG in Turi District. However, in practice, it is open to all elementary school primary school teachers throughout Indonesia.

The PPM activity with the title "Training for Development of Online Learning Models for PJOK Subjects for KKG Elementary School Teachers in Turi District" was able to run well and smoothly. The PPM activity was held on Monday, August 30, 2021 online with zoom media and was attended by 138 teachers. The training, which was planned to be limited to only 22 PJOK teachers at SD KKG, Turi District, was attended by 138 PJOK teachers from 7 provinces.
