ABSTRACT

This Community Service Activity (PPM) is in the form of a Joyful Learning Based Learning Plan (RPP) Training in Supporting Online Learning for Elementary School Teachers in Yogyakarta City.

The goal is to provide an understanding of the concepts, functions, and examples of fun online learning activities that can be achieved by applying joyful learning models. The methods used are lectures, questions and answers, and assignments. The target of the activity is 30 teachers representing SD in Yogyakarta Municipality. The results of this activity are in the form of a learning design based on joyful learning to support online learning.

Kata Kunci: lesson plans training, joyful learning
