

PREPARATION OF DOCUMENTS FOR THE ESTABLISHMENT OF TRAINING CERTIFICATION PROFESSIONAL (P1) VOCATIONAL HIGH SCHOOL IN YOGYAKARTA

by K. Ima Ismara, Rustam Asnawi, Andik Asmara

ABSTRACT

Asean Economic Community, known by the acronym MEA has been applied to our country since early 2016. Indonesia SMK graduates is also expected to have a Professional Certificate in accordance occupations that will be in masukinya. For that matter the government opened as wide as for CMS will establish LSP P1 categories, namely by the institution. Therefore the aim of this program is to accompany SMK in Document Preparation for the Establishment Professional Certification Institute (P1). The program is conducted into phases covering the preparation, implementation and evaluation of programs. The results obtained are: preparation of documents referring to the sample document of LSP in the province that have been licensed, it can help speed up the process of completion of the document; and the establishment of a communication forum ASK SMK very helpful participants who are drawing up the document or who are awaiting licenses.
