

# **TRAINING ON DEVELOPING TEACHERS' PERCEPTIONS OF NET GAMES IN PJOK LEARNING FOR PJOK TEACHERS IN BOROBUDUR SUB-DISTRICT, MAGELANG DISTRICT**

**by Dr. Hari Yulianto, M.Kes**

## **ABSTRACT**

This Community Service activity aims to provide an overview of knowledge related to the perception of PJOK teachers towards net games in PJOK learning. It is hoped that this training can increase teacher interest in providing more varied net games during PJOK learning activities. This PkM activity was carried out at the KKG of PJOK Teachers in Borobudur District, Magelang Regency.

This PkM activity is a collaborative program to improve the ability of teachers to provide PJOK learning materials, especially net games. The targets of this PkM activity are 27 PJOK teachers in Borobudur District, Magelang Regency. PkM activities were carried out on August 18, 2023 offline at SDN Candirejo 1, Borobudur District, Magelang Regency.

The results of the PKM activities carried out showed that the PJOK teachers in the District felt enthusiastic in participating in the training activities to develop teacher perceptions of net games in PJOK learning for PJOK Teachers in Borobudur District. The material provided by the resource person was very interesting and the tourism village managers felt moved to be able to develop tourism in their area.
